### Table Notes:

- **Age Limits.** Don't use under 6 months of age unless told by your child's doctor. Reason: safety not established and not approved by FDA. If under 6 years, don't give products with more than one ingredient in them (FDA recommendation 2008).
- **Dose.** Find the child's **weight** in the top row of the dose table. Look below the correct weight for the dose based on the product you have.
